

NEW Blum Animal Hospital

Client Parking *(Effective September 1, 2007)*

After doing everything possible to renew our lease for our current client parking lot – the owner of the lot, the Chicago Housing Authority, has decided to take over that land for their tenants. However, we are happy to announce that *we will continue to offer complimentary parking for our clients 1 door closer to our hospital!*

Please follow the directions below to our new parking location:

If you have been to our “old” lot – our new parking area is located only 1 driveway south (behind the Orange Restaurant). Park in one of the Blum Animal Hospital designated spaces. Follow sidewalk along north side of building and exit onto Clark Street – walk south (left) to Blum Animal Hospital.
